Jesus' *Abba*... the first word to form on a baby's lips is one of being known, being held, loved just for being here now

Jesus' *Abba*... Who is no stranger to our alienation from ourselves, from each other, from our *abba*. Who is no stranger to our daily dirt. Who is not afraid of loss of power, loss of glory. Whose kingdom is not of this world. Whose wealth is only felt in the exchange of hands, of commonwealth

Jesus' *Abba*... who touches those we would not touch, those whose presence offends and makes unclean those thought to be godforsaken

Jesus' *Abba*... Our ground of being. Binding together that which we have separated. Wholly Love, meaning that every time we love, Jesus' *Abba* is m present, simply, without drama, without bells and whistles. With us between Samaria and Jerusalem. With us toward Emmaus. With us and for us and through us for the love of the cosmos.
